START TALKING

Tell about a time when you did something that on the surface didn't seem to make sense...but it worked.

START THINKING

Read Matthew 5:3. How do you feel when you read this verse?

Pastor Troy said that being poor in spirit means two things:

1. You reach a point where you realize you are broke.
2. You reach a point where you ask for help.

Are you poor in spirit? When you realize you are...that's when you're blessed!

START PRAYING

Jesus, I can't do this on my own. I need You! I confess to You that I am bankrupt. I humbly ask for Your help. And I trust that You are with me, no matter what. Thank You for helping me. In Jesus' powerful Name, Amen.

START DOING

As you go through your week, remember your bell ringing experience and trust that Jesus will help you. Consider journaling daily for the next seven days. Then look back at the end of the week and see how God helped you through each day.
